ANNOUNCEMENT

We take great pleasure in extending to all lovers of Shorthorn cattle this invitation to attend this, our twelfth public sale, on June 11th, 1926. For twenty-six years we have been breeding Shorthorns at Elmhurst.

During these twenty-six years we have seen values higher and also lower than they are today. However, at present values the breeding of high class Shorthorns is a very satisfactory business.

We have tried from year to year to make each offering more attractive, and we feel satisfied that you will agree with us on sale day, that this is the best lot of Shorthorns that have gone through a sale ring at Elmhurst.

To make this just a little better than any preceding sale we have had to go deep into our herd, and are at this time selling a lot of cows, the equal of which are very seldom found in a public sale.

Maxwalton Leopold is proving a great sire and the greater portion of the offering is either sired by him or carrying his service. We wish to call especial attention to a few of the bull calves sired by the above bull—believe they are the equal of anything of like age to be sold anywhere this year.

The herd is absolutely healthy and right in every respect, having recently been tuberculin tested by the State, without a single suspect.

You will not find the cattle loaded with fat, but in the very best of breeding condition, just the way we try to carry them at all times.

With the sincere wish that you may find pleasure and profit in a visit to Elmhurst on June 11, I am,

Very truly yours,

C. A. BRANSON.
